May Virtue of the Month Commitment

Making a plan and putting it into practice.

How **YOU** can show Commitment:

- Draw a picture of what you would like to be when you grow up.
- Find an adult and discuss a plan to achieve a goal.
- Read a non-fiction book about someone you admire and learn about their commitment to achieve.

Message from the Principal

This week we are celebrating our Parktastic teachers and staff all week long. This year our staff has ridden the coaster ride and at every twist and turn of the year, they stayed committed to ensuring we provided a great learning experience for our students. The Parkview team has found ways to be innovative and creative in every type of classroom setting they taught this year from online learning, zooming, to am/pm schedules!

This week we are rolling out the red carpet for our super star team and celebrating all they do every single day for our students. I am honored to work with this amazing team of educators! Please join us in celebrating them all week long!
