September 14, 2020

Principal's Message

We have completed the first month of school! Thank you our dedicated teachers, students and families for your continued support and commitment to going the distance with us!

Keeping Up With Technology

Please be sure to check out the "online learning" tab on the Parkview webpage. There are a lot of great resources there; as well as, fun things to watch and stay connected to our Parkview community, like the Friday Sing page. This week we have also added a virtual Principal's office, and Mrs. Sufuentes has some books recorded to share with students.

We are committed to keeping our Parkview community together throughout this journey. Together we are Parktastic no matter the distance!

Chico Unified School District uses a program called "Securly" to help keep students safe on their school-issued electronic devices. Securly allows parents to see which websites your child accesses, provides tools to control which sites your child is allowed to access and gives you the option to pause the internet on their Chromebook.

Securly information from the district is attached.

Hello Parents and Guardians,

This is the first of a series of videos the Wellness Team will post twice a month.

A Coffee Chat will follow on the Friday after the video. Links and an invitation to the chat is included. Hope to see you there!

Mary Gocke MS., PPS.
School Counselor

STEM Lab Supplies

For: 1st – 5th grade students

Date: Tuesday, September 15th

Time: 11:00AM – 1:00PM

Please drive through the line, wear a mask, remain in your car, and if someone will run the bus. Your students will need these supplies for their STEM lab. Thank you!

The Virtual Health Office

August/ September 2020
