Jen Fields, Office Manager

January 16, 2018

Please be sure to keep emergency red zones clear at pickup and drop off.

Phenomena

Scientific phenomena are occurrences in the natural and human-made world that can be observed and which cause one to wonder and ask questions. We would like to encourage our students to wonder and will be starting a monthly Phenomena Challenge at school. Students are encouraged to participate and bring in a picture of a phenomenon. We will post them in the hallway and randomly draw two a month to receive a prize. Let the wonder begin!

1/26	Cell Lab
1/22	PTO Meeting at 6:30 PM
2/13	Read to Succeed logs due
2/16	No School: Lincoln's Birthday Observed
2/19	No School: President's Day

ATTENDANCE MATTERS!

Help your child succeed in school. Build the habit of good attendance early. School success goes hand in hand with good attendance!

Did you know:

- Starting in kindergarten, too many absences can cause children to fall behind in school.
- Missing 10 percent (or about 18 days) can make it harder to learn to read.
- Students can still fall behind if they miss just a day or two days every few weeks.
- Being late to school may lead to poor attendance.
- Absences can affect the whole classroom if the teacher has to slow down learning to help children catch up.

PARKVIEW SCIENCE FAIR

Feb. 21st

More information coming soon!

CHICO SCIENCE FAIR

Feb 26-Mar 2

Silver Dollar Fair Grounds

For more information or to submit your application please visit: www.chicosciencefair.org.
