Feb. 21st

More information coming soon!

CHICO SCIENCE FAIR

Feb 26-Mar 2

Silver Dollar Fair Grounds

For more information or to submit your application please visit:

www.chicosciencefair.org

STUDENT STORE

The Student Store will be open on
February 1st

Donations needed!

- We always need donations for our Store. Please bring any donations to the office. Thank you!

Any student that reads 6 hours, completes the reading log, and returns it by February 13th, will receive a free admission ticket to Six Flags! Check with your student's teacher for more information.

Phenomena

Scientific phenomena are occurrences in the natural and human-made world that can be observed and which cause one to wonder and ask questions. We would like to encourage our students to wonder and will be starting a monthly Phenomena Challenge at school. Students are encouraged to participate and bring in a picture of a phenomenon. We will post them in the hallway and randomly draw two a month to receive a prize. Let the wonder begin!

CIRCUS TIME!

One more call for help! We have some volunteers, but we still need 2-3 musicians desperately! We are looking for 1 or 2 people who can teach our ensemble the songs...and perhaps someone else to work vocally with our principal actors. This requires one or two day(s) a week rehearsal, from 2:45-4. We also need a piano player... someone who can record the music for us, and then play at the dress rehearsals and the night of the show. Rehearsals will start the second week in April and the show opens and closes on May 24th. We also need someone to build a trick...the old cut the magician's assistant in half trick...any budding carpenters out there? We would also like anyone else who wants to get involved to create more opportunities for our awesome kids.
