## Help Prevent the Spread of Lice!

Parkview has had several lice outbreaks and we're asking for your help to stop the spread.

- Please check your child's head for lice and/or nits (eggs)
- The most common sign is a very itchy head.
- Wash bed linens and clothing that anyone with lice has worn recently. Use very hot water.
- Try to avoid head-to-head contact.
- Don't share combs, brushes, hats, or other personal care items.
- If someone close to you has lice, check your child's hair every 3 or 4 days to be sure she/he hasn't picked up lice.
- Please notify the school immediately if lice is found.

*Please research the internet for further lice facts or pictures.*

## Yard Duty Needed

We currently have an opening for a yard duty position daily from 11:30 until 1:00. Please apply in the office. Thank you!

## CIRCUS TIME!

Parkview Parents and Friends:

*Circus Time! the musical is a go!*

*We are excited to hold auditions in*

*February, rehearsals in April and May, and the show on May 24th*

*If you know anyone who could help with music, we need a piano player to record the music for rehearsals and to play at the dress rehearsals and the show.*

*We also need 2 or 3 people to work vocally with our students.*

*Any takers? The vocal coaches would volunteer 1-2 days per week after school from about 3-4:15.*

*Please contact Karen*
