March 1, 2021

READ ACROSS AMERICA WEEK!

The first Read Across America day was held March 2, 1998. It is a special week to celebrate reading, literacy and learning. At Parkview, we think it is so important that we celebrate all week long with dress up days, fun activities and LOTS of READING!

Please visit our Parkview virtual library and access a special Dr. Seuss story every day of the week, a link for tons of free e-books celebrating that "Reading is for Everyone", extra storytimes, songs and a special link to our virtual library dedicated to Women's history month! Click here: [Virtual Library](#)

Dress up day reminders:

Tomorrow: Dress up as your favorite Dr. Seuss character.

Wacky Wednesday: Mismatched, inside out, backwards

Thursday: Whoville hair – crazy hair day

Friday: Dress as your favorite animal

March Virtue of the Month

Patience

Waiting until later for what you want now.

How YOU can show patience:

- Complete a large jigsaw puzzle with family or friends.
- Be the last one served for dinner.
- Choose to be the last in line.

Important reminders for our parking lot:

*Please be sure to drop off and pick up your student in the outer lane of our circle at the curb (closest to our buildings) so that our students do not have to cross traffic.

*Please do not stop in the center lane of our circle. It is important to keep this lane open for moving traffic.

The Virtual Health Office

MARCH 2021

Check out this month's edition here:

<https://www.smores.com/3564p>

The Butte County Public Health Department will be providing a **drive-thru** dental screening at no cost to you on 3/24/2021. This brief screening does not replace routine thorough checkups with your family dentist, but a screening can detect existing problems which may need treatment sooner rather than later. Additionally, students who receive a free dental screening are also eligible to have fluoride varnish applied at the same time at no cost to you. Teachers sent home permission slips for students to be screened last week. Permission slips should be signed and returned to teachers by 3/9. The screening will take place during your student's class time, but if your student is online they can also participate in our drive thru screening between 10-1 on 3/24, and have their teeth checked out.
