## Take a look at our new flags!

CALIFORNIA REPUBLIC

Our new flags were flown over California, Nevada and Oregon on March 3, 2021 in a U-25 "Dragon Lady" aircraft in honor of Parkview Elementary!

A big thank you to the L'Huiller family for setting this up for our school.

Please see the special certificate attached.

Please see page 2 of our Spotlight for more news!

## Library News

It's that time of year....Time to read the California Young Reader Nominees and vote for your favorite story. Normally I read the stories to the kids during library time but this year we are going virtual. The kids love this every year and often ask when we are going to do it. Please share this with your child. Voting closes March 26, 2021.

## IMPORTANT INFORMATION

The Butte County Public Health Department will be providing a **drive-thru** dental screening at Parkview at no cost to you on **Wednesday 3/24/2021** between 10:00 and 1:00. Teachers sent home permission slips this month for in person students to be screened. If you have not turned in your permission slip, please do so this week, or bring your students through the drive thru screening between 10-1 on 3/24 in the Parkview parking lot. Look for the blue public health tent! This event is open to online students as well. Other children in the household may also participate if they are in the same vehicle!

Additionally, students who receive a free dental screening are also eligible to have fluoride varnish applied at the same time at no cost to you. Painting a child's teeth with fluoride varnish is a safe and very effective way to prevent and reduce cavities.

## March Virtue of the Month Patience

*Waiting until later for what you want now.*

How YOU can show patience:

- Complete a large jigsaw puzzle with family or friends.
- Be the last one served for dinner.
- Choose to be the last in line.
