April Virtue of the Month
Peace

Proving you care more about each other than winning an argument.

How you can show **PEACE**:

- After school, listen to music, read, or draw for 15 minutes.
- Choose to walk away from an argument with a friend or family member.
- Draw a picture that represents peace and decorate your bedroom with it.
- Take a walk with your family.

Yearbook Pictures

If your student did not get a school picture taken with Lifetouch and would like their photo to be on their class page of the yearbook, please send a similar photo of your child to lphillips@chicousd.org before **4/9**. Photos need to be jpg or png. You will receive a return email confirming we have received your photo.

Sport's Day

Opening day of baseball is April 1st!
Let's celebrate ALL sports by wearing your favorite sports hat or jersey on Thursday.

Our Parkview community is excited to introduce our new Targeted Case Manager (TCM) Marisol Morales. Mrs. Morales brings a wealth of experience and knowledge to share with our families. She will play an active role on our Wellness Team and she will work closely with our families to provide support and resources (social emotional health, parent education, and other resources families may need).

Mrs. Morales may be reached at 891-3114 ext. 110 or (530) 588-0033

April is Autism Awareness Month

Started in 1970, this month-long focus was designed to spread awareness, promote acceptance and ignite change.

The short video below does a great job of explaining Autism:

Our Parkview community is proud to celebrate all of our students and is committed to providing all students and families an inclusive, welcoming, learning experience.

Take a look at our new flags!

Our new flags were flown over California, Nevada and Oregon on March 3, 2021 in a U-25 "Dragon Lady" aircraft in honor of Parkview Elementary! A big thank you to the L'Huiller family for setting this up for our school.
