IMPORTANT INFORMATION

Parent Portal: All parents are required to have an Aeries Portal Account. If you have not setup your account, please stop by the office to pick up instructions. If you need help, our computer lab and teacher will be available Tuesday, June 5th from 8:00 until 3:30.

Re Reg: In August, all parents will be updating contact information and signing all beginning of the school year documents electronically. Once completed, you will be able to access your student's teacher's name on Wednesday, August 15th. This will be the only way to find out your student's teacher, as class lists will no longer be posted. All updates must be made prior to the first day of school

Volunteers Needed!

We are in need of parent volunteers to cover a lunchtime yard duty opening from 11:30 until 1:00 each day. With only 18 days remaining this school year, we are hopeful that we can get this spot covered by parents so that we have plenty of supervision for our students at lunch. Please consider volunteering one or more days. If you are available, please contact the office so we may put you on our calendar.

If you are interested in a position for next year, please stop by the office for an application
