We are excited to kick off our first schoolwide common book! One of our schoolwide foci this year is Grit so that we encourage students to challenge themselves and persevere. We will be reading Wonder and We're All Wonders by R.J. Palacio. They are a great read for all and we hope your family considers reading them too. Here are a few resources:

Studies have proven that when chosen properly, snacks can provide children with an extra boost to their mental skills. Our students have a daily snack recess to recharge and fuel their brains and bodies to learn. Please be conscious to send a healthy snack with your student that will boost their brain power and energy. Some nourishing options that students seem to enjoy include: crackers, pretzels, string cheese, fruit etc. Thank you for your support and cooperation.

### Weekly Reading Tips

Read a book with your child and describe their favorite character and your favorite character. Give three reasons why they're the favorite.
