### Attendance Matters

Attendance is essential to school success. When students are absent for fewer days, their grades and reading skills often improve—even among those students who are struggling in school. Students who attend school regularly also feel more connected to their community, develop important social skills and friendships, and are significantly more likely to graduate from high school, setting them up for a strong future. One of the most important things your child can do to achieve academic success is also one of the most basic: going to school every day. We will be awarding the Iron Man Award to the class with highest attendance each month.

### Free and Reduced Lunches:

Parkview is a Title I school. This extra funding helps to support our intervention programs for our students. We need to continue to be acknowledged as a Title I school to continue to receive funding. You may be receiving a phone call from our Targeted Case Manager-Pauline, if you haven't turned in the free and reduced lunch paperwork. Please fill out the free and reduce lunch application even if you don't want to receive this service for your child. Our school needs this extra funding to help our kids.

Thank you.
