Please be sure to drop off and pick up your student in the outer lane of the roundabout (closest to the curb) so that students do not have to cross traffic. Please do not stop in the center lane of the roundabout. It is important that we keep this lane open for moving traffic.

Back to School Night

Welcome back Parkview families! Back to School Night is here! We are excited to have our students back on campus and looking forward to seeing you all.

Message from the Principal

~Hello Parktastic Families~

We had a great first week back at school! It was wonderful to see our students back on campus enjoying a full day of school.

The student energy and excitement was contagious and inspiring. We started with a solid introduction of our PBIS procedures and routines and our students jumped right back into to doing things the Parkview Way. We are looking forward to a year full learning and exploring new adventures.

Thanks for all your support and I look forward to seeing you at Back to School Night.

School Site Council

We are looking for parents to join our Parkview School Site Council. This body of both parents, school employees and teachers supports decision making and input from a variety of stakeholders to ensure we are providing the best possible school experience for all of our students. We will meet 4-5 times throughout the year to review school goals, safety plans, the updated version of LCAP (our learning Continuity and Attendance Plan) and more.

This year we have 4 parent seats that need to be filled.

Please use the form below to nominate yourself, or another parent.

Girls on the Run

Girls on the Run is looking for volunteer coaches. Girls on the Run creates a positive, structured space for girls to learn about themselves, explore new ideas, cultivate empathy, strengthen connections, and develop life skills that will help them as they move through pre-adolescence and beyond. Volunteers are needed for Girls on the Run for 3rd – 5th grade students. Practices will be led by volunteer coaches. Head coaches must be female and at least 21 years old. Assistant coaches can be male or female and at least 18 years old. Lessons are fun and engaging. The program will conclude with all participants walking or running a celebratory 5k event. If you would like to volunteer, or would like more information you can call our main office at 530-891-3114. You can also email Tamara Willard at twillard@chicousd.org or Jeff Davis at jtdavis@chicousd.org
