Jeff Davis, Office Manager

August 30, 2021

We would like to remind all parents to please send your student to school in tennis shoes or other closed toed shoes. We know it's still very hot outside this time of year and everyone wants to be comfortable, but for the safety of our students during PE and other outdoor activities please send them to school with the appropriate footwear.

## Girls on the Run

We are looking for Girls on the Run coaches. If you are interested in being a coach for our 3<sup>rd</sup> – 5<sup>th</sup> grade team please contact the office.

530-891-3114

Please remember to send your student to school with their water bottle every day. There is a water filling station located in our cafeteria for students to refill their bottles.

## School Site Council

A special thank you to all of those who volunteered or nominated someone for our School Site Council.

Please take a moment to look over our list of nominees and cast your vote for our next SSC members. Please vote for 4 candidates. Voting will close Wednesday Sept. 1 at 4 PM.

## Core Values

Our value this month is initiative. What is initiative? Initiative is seeing what needs to be done and doing it!

How can you show your Initiative?

- Volunteer to do the dishes after dinner.
- During breakfast, write one or two goals to accomplish during the day
- During recess, organize a fun game for your classmates.

Please send your student with an extra face mask in their backpacks. As we continue to learn and play outdoors, face masks easily become dirty, broken and lost. Having an extra mask helps ensure students are comfortable when continuing their learning throughout the day.
