November 1, 2021

November's core value is **Contentment**.
What is contentment? Contentment is learning to be okay with what you have.

How you can show contentment:

- Tell each family member why they make you happy.
- At dinner, ask each family member to share something that made them happy that day.
- Write a letter to someone at school that makes you happy.

For Halloween Mrs. Phillips read the book Pumpkin Jack by Will Hubbell to our TK thru 3rd grade classes. The story is about the life cycle of a pumpkin, which is what we will be watching with our very own STEMkin the Pumpkin. He will be observed for mold, decomposition and hopefully new life in the form of a sprout in the spring. If all goes well, STEMkin the Pumpkin's sprout will be transferred to the school garden where we will hope for some pumpkins to grow.

From the PTO

PTO Meeting:

Tuesday Nov. 2, 2021 at 6:00PM in the Parkview STEM Lab. PTO will be presenting and voting on much needed classroom organizational supplies.

The PTO would like to thank all those who donated items and volunteered their time at the Harvest Festival.

Laps for Learning was a great success!
Over \$31,000 raised this year!

CUSD – Kindergarten/TK Faire

It's time for our annual Kindergarten/Transitional Kindergarten Faire. It will be held on **November 9th, 5:30 P.M.** at Neal Dow Elementary School.

THANK YOU!

Big thank you to our Parktastic PTO for their organization, set up and celebrating our fall festival. Thank you to all of our families who volunteered!! It was a huge success and wonderful evening for our Parktastic community.
