Core Values

Our value this month is initiative. What is initiative? Initiative is seeing what needs to be done and doing it!

How can you show your Initiative?

- Volunteer to do the dishes after dinner.
- During breakfast, write one or two goals to accomplish during the day
- During recess, organize a fun game for your classmates.

Please remember to send your student to school with their water bottle every day. There is a water filling station located in our cafeteria for students to refill their bottles.

Please send your student with an extra face mask in their backpacks. As we continue to learn and play outdoors, face masks easily become dirty, broken and lost. Having an extra mask helps ensure students are comfortable when continuing their learning throughout the day.
