News from the Principal

Thank you to our Parktastic Families!

The year is wrapping up and we are on the home stretch! This year has been like no other and we are grateful to our entire Parkview community for the continued support and dedication to our students through the ever-changing year! Our families, staff and students were flexible and understanding and provided a consistent focus on going the distance and making ourselves proud. We want to acknowledge and thank all our families for going the extra mile this year and ending the year even stronger than we started!

A PARKTASTIC THANK YOU to our entire Parkview community!
